WHO ARE COMMUNITY PROGRAMS FOR?

One World Girl is committed to engaging women and girls of all races, ethnicities, and religions in our community to come together and help one another as we share our concerns, build relationships, and find solutions.

HOW TO GET INVOLVED

One World Girl is consistently seeking new opportunities to work with our community to support empowering girls and women. Please contact us if you are interested in sponsoring a scholarship or working with us as a community partner.

During the OWG International Women's Day Dinner Celebration, we came together to honor the women in our community who are dedicated leaders, successful, and truly inspirational. It felt great to be surrounded by powerful women.
