

One World Girl on Broadway

ONEWORLDGIRL®

ON BROADWAY

Day-long weekend events for ages 10 and up that include:

- A panel discussion with female Broadway artists
- A theatrical workshop and group discussion
- A performance of a Broadway show

Provides girls with the unique opportunity to:

- Meet women who inspire modern leadership and power
- Develop creativity, courage, and positive body image

Past Broadway shows have included *Hamilton*, *Wicked*, *West Side Story*, *Hadestown*, *Mean Girls*, and more!

Creative and performing arts serve as an emotional outlet for youth, improves confidence, and encourages dialogue. However, 96% of elementary schools nationwide do not offer performing arts opportunities.

Who Do Our Broadway Empowerment Programs Serve?

In 2019, One World Girl hosted six empowerment days for 25 girls each event, for a total of 150 girls impacted. Girls are aged 10-14 and all participants receive full scholarships to attend the events; girls from the New York Metropolitan area are encouraged to attend, regardless of previous interest in theater. In response to the COVID-19 pandemic, One World Girl plans to continue offering both virtual and in-person options for our Broadway Empowerment Days. We hope to reach as many girls as possible during this challenging time, as both empowerment and emotional support are prioritized in our initiatives.

HOW TO GET INVOLVED

One World Girl is consistently seeking new opportunities to work with our community to support empowering girls and women. Please contact us if you are interested in sponsoring a scholarship or working with us as a community partner.

"I now know I can really do anything. I never thought I would be able to talk to people I didn't know. I now understand that I am a leader and can do anything." - Emily, 12
