WHO ATTENDS EMPOWERMENT ARTS SUMMER CAMP?

One World Girl connects girls from different communities to share their stories, enhance leadership, build bridges, and engage in strategic learning through arts-based programming to address societal issues and transform challenges. In 2020, our two summer camp programs impacted a total of 60 elementary school girls and 20 high school-aged girl mentors. Girls are encouraged to attend at one of our NY area locations, with full scholarships.

Students who are engaged in the arts are 5 times more likely to complete high school and twice as likely to graduate college as their peers with no arts education.

STUDENTS OF COLOR HAVE LESS THAN

HALF

THE ACCESS TO ARTS EDUCATION THAN THEIR WHITE PEERS.

HOW TO GET INVOLVED

One World Girl is consistently seeking new opportunities to work with our community to support empowering girls and women. Please contact us if you are interested in sponsoring a scholarship or working with us as a community partner.

"One World Girl summer camp was amazing! The camp helped take my mind off other things, and was made for people who love art. It makes you feel good about who you are and proud that you are a girl."

- Zaynab, 11
